Important Notes:

- The above carriage-paid thresholds and charges are applicable only to orders invoiced at the list prices prevailing at date of despatch.
- All rates exclude VAT.
- Split deliveries can be arranged but will be subject to additional carriage charges and relevant surcharges in accordance with this schedule.
- All deliveries will be made on curtain-sided articulated vehicles. Rigid vehicles are available at no extra cost, upon request. Any failed/refused deliveries will be charged to you in full. If re-delivery is requested this will also be charged to you in full.
- Wade/Gatic reserves the right to apply a fuel surcharge where applicable. This surcharge may be introduced or adjusted in response to fluctuations in fuel costs or market conditions that materially impact operational expenses. Any fuel-related charges will be applied in accordance with Wade/Gatic’s current pricing policies and may vary depending on project location, delivery requirements, or logistical factors.
